

We aim to connect potential players with their local table tennis venues. The information you provide will be used on the 'Places to Play' section of the Table Tennis Scotland website. By returning this form you are giving us permission to publish these details.

If your club or group regularly plays in more than one venue, please complete a form for each venue even if the contact details are the same. That will ensure that every 'pin' on the map has the correct information.

If you play as part of an informal group that does not have a name then please simply fill in the venue name and as much information as you can.

Your club contact details

Name of Club / Group:

Short description
(max 40 words):

Example:

Haddington Table Tennis Club is a friendly, community based club in the heart of East Lothian. We play on 10 tables and use two venues, with up to 9 sessions each week. Open to all ages and abilities.
