1. Introduction:

The official Table Tennis Scotland (TTS) ranking system has been developed in conjunction with Table Tennis 365. The system awards points for each match played at a TTS regulated ranking competition. This document details the rules and regulations applied to the ranking lists.

The Ranking Season runs from the 1st August through to 31st July.

All ranking points are reduced by 10% each year on the 1st of August.

2. Ranking Points Calculation Table:

Ranking points are awarded depending on the points difference shown in the table below:

<i>Points Difference</i>	<i>Expected Loss</i>	<i>Unexpected Loss</i>	<i>Expected Win</i>	<i>Unexpected Win</i>
0 - 24	-4	-4	8	8
25 - 49	-4	-4	7	9
50 - 99	-3	-6	6	11
100 - 149	-3	-8	5	14
150 - 199	-2	-10	4	17
200 - 299	-2	-12	3	22
300 - 399	-1	-16	2	30
400 - 499	0	-20	1	40
500 +	0	-26	1	50

3. Bonus Ranking Points:

Bonus points are awarded depending on the round achieved by each player:

<i>Weighting</i>	<i>Last 8</i>	<i>Last 4</i>	<i>Runner-up</i>	<i>Winner</i>
1.5	2	5	10	20
2.0	5	10	20	30
2.5	10	15	30	50
3.0	20	50	75	100

4. Weightings Table

The number of points won or lost in an encounter between two players is also dependant on the importance of the tournament played – it’s “weighting”.

<i>Weighting</i>	<i>Event</i>
3 x	Olympic Games
	World Championships
2.5 x	Commonwealth Games
	ITTF World Tour
2.25 x	Commonwealth Championships
2 x	National Championships
1.75x	4 Star Open Tournaments
1.5 x	Friendly international matches
	TTS Sanctioned Open Events
0.75 x	1 Star Open Tournaments

All event weightings to be reviewed by the ranking committee prior to start of season.

Where both individual and team events are played in the same Competition, the team events will be 0.5 below the overall Competition weighting.

5. Unrated Players:

Unrated players gain a rating by playing at least 4 matches against players who already have a rating and achieving at least one win. The rating allocated depends on both how many wins and how high the rating of the opponents were.

1 Win – allocated same rating as opponent less 100 points

2 Wins - the median of the rating points of the two opponents

3 Wins – the median of the ratings of the three opponents plus 100 points

4 Wins or more with some losses – allocated same rating as highest opponent less 100 points

4 Wins or more with NO losses – allocated same rating as highest opponent plus 100 points

6. Age-group rankings:

Points are earned for each age group category separately. There are four separate rating categories:

- Cadet – For those under the age of 15 as of 31st December during the current Administrative Year
- Junior – For those under the age of 18 as of 31st December during the current Administrative Year
- Senior – No age restriction
- Veteran – For those 40 years of age and over on 1st January during the current Administrative Year

Points are earned depending on

- a) The category of event entered (Cadet, Junior, Senior or Veteran).
- b) The category of your opponent (Cadet, Junior, Senior or Veteran).

A Cadet entering a Cadet event will gain or lose Cadet points; a Junior entering a Junior event will gain or lose Junior points and a Veteran entering a Veteran event will gain or lose Veteran points. Anyone entering a Senior event will gain or lose Senior points, regardless of the category of their opponent.

Matches between players of the same category will result in both players gaining or losing points in their category AND the category of the event. For example, two Cadets meeting each other in a Junior event will gain or lose both Cadet AND Junior points. Two Veterans meeting in a Senior event do not gain Veteran points as all Veterans are Senior too.

Mixed events can be registered, however multi-gender encounters will only be used for calculating ratings if both participants have a rating less than 400

Other age group lists are extrapolated from the respective age group category.

7. Starter Events:

There is a “Beginner” incentive in place for those who are new to ranking competitions. This could be Regional Competitions, or some veteran events. This incentive can only be won as long as the player is still unrated.

Any player having three wins in a playing day against unrated players, will be awarded 100 starter points to get them on the rating list.

If they play enough rated players to obtain a rating, then the normal rules apply.

8. Foreign Players:

Foreign players (including Home Country players) are given a “dummy rating” if they are ranked within the top 400 players on the relevant ITTF world ranking list. Players outside of the Top 400 are given a zero rating.

Players with dummy ratings only are not included in the TTS ranking list.

9. Audit Trails:

A player’s personal audit trail is available in their Table Tennis 365 Members Area under the Rankings tab:

<https://tabletennis365.com/tabletennisscotland/membership/login>

10. Inactive Players:

Players will be removed from the ranking list after 1 year without relevant matches (during active competitions). Players will retain a “dummy rating” of a subsequent 12 months.

11. Administration

The Ranking Scheme and data entry is managed by Table Tennis Scotland via the TableTennis365 system under the supervision of the TTS Ranking Committee.

Whilst every care is taken that the data inserted into the computer is accurate, the occasional error may occur.

All questions, queries and complaints should be directed in the first instance to Table Tennis Scotland within three weeks of the list publication date and be sent:

cynthia.robinson@tabletennisscotland.co.uk

Any discrepancies will be investigated and resolved by the TTS Ranking Committee and rectified in a subsequent list.
