

# KNOW YOUR GAME!

## Why important?

To understand what you do well and to help build your game around your strengths!  
Work out a playing concept that best suits you!

This will support your development in TT and help you move to the next level! Key considerations:

- Encourage and embrace your style

---

- Have a GAME PLAN

---

- Be creative

---

- Know your strengths

---

- Know your weaknesses

---

## What to do?

Break down your game and put a plan in place! Give yourself a mark out of 10 for each of the below and then set some goals to support your future training and competitions!
